

Poem in Your Pocket

Written by Emily Arrow
with co-writes by Nick Goldston

The musical score is written in treble clef, G major (one sharp), and 4/4 time. It consists of eight staves of music with lyrics underneath. Chord symbols (D, G, A) are placed above the notes. Some notes are marked with an 'x' to indicate where a guitar player should strum. The lyrics are: 'Keep a po - em in your poc - ket, so when you need it, I've got it. I keep a po - em in my poc - ket, all the time. ____ When I need a rhyme with book, *look!* *Okay, now it's your turn.* When you need a rhyme with page, *did you find one?*' When you need a rhyme with fun, *I would have said hum.* When you need a rhyme with roc - ket, *poc - ket!* *Al - right, all to - ge - ther now.* Keep a po - em in your poc - ket, so when you need it, you've got it. Keep a po - em in your poc - ket, all the time. ____ When you need a rhyme! ____ Keep a po - em in your poc -'.
